From the Director:

**Learning**
The children have been busy painting Christmas pictures, decorating the Christmas tree while also preparing for the school concert and visit to Lumeah.

**Christmas Party**
I attached an invitation to families for our Christmas Party. We have no children graduating this term so we are starting a little later. We will again be having a shared lunch with Early dismissal of 2pm.

**End of year cleanup**
We will be having a clean up on the last Friday of kindy. If it is more convenient jobs can be done at any time during the day.

**FEES**
End of term is nearly here and there are still outstanding fees. Please pay ASAP or make contact with me to discuss re-payment arrangements.

**Christmas Message**
As this is the last newsletter for the year I would like to sincerely thank all families for supporting me throughout the year. I extend special thanks to the members of the Governing Council for the work you have done in fundraising and work projects. It has been an extremely busy year with many changes taking place which would not have been possible without dedication by the whole kindy community.

Regards Vicki

---

**OUR VEGETABLE GARDEN PROJECT**
Sam Bunting will be tending to the vegetable garden over the holiday break so that the children can continue to be involved in growing and nurturing our vegetables. A big thank you to Sam for her volunteering efforts.

Rosie and Katrina

Thankyou to Rosie and Katrina, with you we have achieved excellent outcomes for the children at our kindy. These results are not achievable without a collaborative effort.
