From the Director:

**Wow Wow Wow!**

A big thank to Nick and Sonja Ottens for leading the cubby house project. Special thanks to Nick, Mark Baxter, Sebastian Sabu and Brentan Bunting who putting the children’s cubby house together.

**Learning**

During our last programming day Rosie and I had in-depth discussions about what we can do to help our children along their learning pathway as they learn to share, take turns and learn about responsibility. With the help of “Gabby Get-a-Long” the children are learning quickly. However, we questioned whether our children were really listening and how we communicated with our children. The results are the introduction of the “Team Leader” role. Please ask your children about Gabby get-a-long and the “Team Leader” role, your feedback would be great.

**Kindy Excursion**

The children will be travelling to Clare by bus. An itinerary will be out soon.

**Governing Council**

Our AGM was held last week. More news to follow next newsletter.

Regards Vicki

**Assessment and rating visit**

An assessor from the Education and Early Childhood Services Registration and Standards Board of South Australia (EECSRSB) visited our centre yesterday. We were the first site in the Yorke and Mid North Region to go through this process. I would like to sincerely thank you the dedication of staff and families for pulling together and making the centre what it is today. We should all be very proud of the quality of service we share.

Children and young people being at the centre of everything we do.
